MSC (2 years)

- | | |
|--|----------------------|
| 1. Experimental Geosciences | Bayreuth University |
| 2. Marine Geoscience | Bremen University |
| 3. Process Engineering and Energy Technology | HS Bremerhaven |
| 4. Electrical Engineering | HS Darmstadt |
| 5. Electrical Engineering | HS Kempten |
| 6. Materials Science and Engineering | Kiel University |
| 7. Geophysics | LMU Munich |
| 8. Geospatial Technologies | Muenster University |
| 9. Electrical Engineering | Rostock University |
| 10. Environmental Sciences | Trier University |
| 11. Process, Energy, and Environmental Systems Engineering | TU Berlin |
| 12. Petroleum Engineering | TU Clausthal |
| 13. Research in Computer & Systems Engineering | TU Ilmenau |
| 14. Applied & Environmental Geoscience | Tuebingen University |
| 15. Power Engineering | TUM |
| 16. Energy Science and Technology | Ulm University |

PHD (3 years)

Geology and Petroleum Geology

- TU Clausthal (Clausthal University of Technology)
- University of Cologne
- University of Göttingen
- Ludwig Maximilians University, Munich

Civil and Marine Engineering (Marine Geosciences)

- Kiel University

Renewable Energy

- Kiel University
- University of Oldenburg

Reservoir Engineering/Production Technology

- TU Clausthal (Clausthal University of Technology)
